

What is SolarReviews?

SolarReviews is a platform that provides unbiased consumer reviews of U.S. solar companies and an expert ranking system to help you find the best solar panel installation companies in your area. It also offers an accurate solar calculator built by in-house solar experts and engineers since 2013.

When was SolarReviews founded?

SolarReviews was founded in 2013. Since then, our in-house solar experts and engineers have built one of the most accurate solar calculators available. SolarReviews has both an extensive collection of unbiased consumer reviews of U.S. solar companies and an expert ranking system to help you identify the best solar panel installation companies in your area.

How many solar companies have been reviewed by CNET?

Our staff of editors and writers have extensively reviewed and evaluated 17 solar companies to date. Palmetto Solar earns the top spot on CNET's best solar company list.

How are solar companies rated?

Our ratings are based on publicly available information about each company, secret shopping online and over the phone, customer-review analysis, and interviews with solar industry experts. A company can earn a maximum of 100 points across six categories, converted to a five-star scale.

Who are the top solar installation companies?

Our top three choices for solar installation companies are Freedom Solar, Blue Raven Solar, and Palmetto. In our review, we compared these companies and other top-rated providers to determine the best options.
