

## **Renting a solar powered refrigerated container at florida**

How does United Rentals deliver a storage container?

When you rent a storage container from United Rentals, we use a tilt-bed truck to deliver it to your requested location. Before your storage container is delivered, it is important that you prepare the site, prepare for delivery and communicate with your United Rentals sales representative to ensure a smooth delivery to your site.

Can I rent a 20-foot storage container?

Additionally, these 20-foot storage containers for rent can be customized to include shelving, lighting, ramps, insulation and more. We also offer custom storage container modifications like paint, vents, window and door cutouts and restrooms. Rent a 20-foot Conex box from your nearest United Rentals branch today.

Why should you rent a shipping container?

Renting a shipping container provides you with a low-risk, low-cost storage solution on your own schedule. A 20-foot shipping container rental offers durability, versatility and portability in various construction, industrial and commercial use cases.

What is a 20-foot shipping container rental?

A 20-foot shipping container rental offers durability, versatility and portability in various construction, industrial and commercial use cases. Primarily intended for portable on-site storage, 20-foot cargo containers are windproof and watertight.
