

How do I replace the battery on my Pixelbook?

It is recommended to purchase a new battery that comes with a new back cover attached, as it is very easy to damage the battery by peeling it off the cover. Make sure the Pixelbook is completely powered down before beginning these steps. Flip the device so that the back is facing up. Peel the rubber stoppers off the top and bottom of the device.

How do I remove the back panel of my Pixelbook?

Make sure the Pixelbook is completely powered down before beginning these steps. Flip the device so that the back is facing up. Peel the rubber stoppers off the top and bottom of the device. Remove ten 3 mm screws from around the edge of the back panel using a T5 Torx screwdriver. Use an iFixit opening tool to pry up the back panel cover.

What should I do if my Pixelbook battery is not charging?

If the battery itself is not charging, it will need to be replaced with a new one. It is recommended to purchase a new battery that comes with a new back cover attached, as it is very easy to damage the battery by peeling it off the cover. Make sure the Pixelbook is completely powered down before beginning these steps.

How do I wake up my Google Pixelbook?

To wake your Pixelbook, briefly press the Power button or any other key on the keyboard. Make sure that your device's battery is charged, as a depleted battery could prevent it from waking up. If your Google Pixelbook doesn't turn on, it can be worrisome.

How do you remove a Pixelbook from a computer?

Remove the two yellow 2.0mm screws by using a T3 Torx screwdriver. Remove the seventeen 3.0mm T5 Torx screws from the bottom panel. Use the nylon spudger to pry the edge of the Pixelbook up until you can grab the edge with your fingers. Open the back panel completely and lay it flat so you see the whole inside of the computer.

How do I Reset my Pixelbook EC?

Reset the Embedded Controller (EC) While your Pixelbook is off, press and hold the Refresh key and then tap the Power button. Release the Refresh key. 4. Let the Battery Drain Completely and Recharge
