

Should you trust solar power nation?

Writing this review so people don't make the same mistake for trusting Solar Power Nation. The experience is truly a nightmare. Most people who put a good review mainly talked about how smooth the sales & installation. But if you are going to spend thousands of dollars, be sure to read what happens after sales when things go wrong.

How much does solar power nation cost?

If you've had a system installation via Solar Power Nation, we encourage you to add your review of the firm, its products and service. Reviewers report paying: \$3,600 - \$13,300 for depending on hardware choice and installation difficulty ( how is this calculated?

Is solar power nation a good company?

Competitive prices but at a huge cost to the consumer as it will leave you wasting your time and money, that could be spent elsewhere. Solar Power Nation are quick to take your money but are extremely poor at communicating appropriately to firstly schedule a day of installation.

Is solar power nation a scam?

It's a scam They offered a price then after accepting the deposit they changed the price (there was no additional info exchanged before they hiked up the price) They agreed to reimburse the deposit but never did. I went through my bank to have the deposit collected through them and solar power nation refused to refund. It's a scam.

What happened to solar power nation?

After checking reviews, I decided to go with them and finally ended in losing \$1925 (deposit) as the company went into liquidation. I did get one more quote from "Solar power nation";.

Does solar power nation offer a warranty?

Beware - Solar Power Nation refuses to honour its warranty. We bought 5 KW of solar panels and a Solax hybrid inverter from Solar Power Nation [SPN]. This system was installed on 13 December 2016, and the SPN printed warranty specified that the panels would be warranted for 30 years from that date, and the inverter for 10 years.
