

Will Seia remove a project if it is canceled?

SEIA will remove a project if it is publicly announced that it has been canceled. SEIA actively promotes public policy that minimizes regulatory uncertainty and encourages the accelerated deployment of utility-scale solar power. Sign up for the SEIA Weekly Array to get the latest solar and storage news straight to your inbox

Does Seia guarantee a project will be built?

Total Monthly Capacity, Operating and Under Construction/Development SEIA does not guarantee that every identified project will be built. Like any other industry, market conditions may impact project economics and timelines. SEIA will remove a project if it is publicly announced that it has been canceled.

How do I access the Seia list?

SEIA members have exclusive access to the list as a sortable, searchable MS Excel file that is updated monthly. This version contains additional, valuable information that is not included in the map below, such as the owner, electricity purchaser, land type and expected online date. SEIA Members can access the searchable database [here](#).

Andrew supervises regulatory and legislative matters impacting solar and storage policy across the Midwest, principally in Illinois, Michigan, and Wisconsin. Prior to joining SEIA in 2024, ...

SEIA is the leading voice of open market competition in the electricity sector, and we have a unique role to play in ensuring that energy storage is deployed as quickly as ...
