

How do you get to Shiplake station?

The station has a single platform, which is used by trains in both directions. There is a 50-space car park, but no station building other than a simple shelter. The station is unmanned and tickets must be purchased on the train or on-line. The station was built in the village of Lashbrook in 1857, but named for the main village of Shiplake.

Is there a charge for parking at Shipley Park?

Standard car parking charges apply at Shipley Park. To enter the park, follow the well-signposted main entrance from Derby Road (A608) and from the motorway, M1 junction 26. To avoid congestion, we advise all visitors driving to Shipley Park to drive through the industrial estate, as Thorpes Road leading to Slack Lane can be very narrow.
