

What is Sky Power?

Sky Power is a Diamond Certified SunPower Elite Dealer. They service the Tri-Valley area. Sky Power offers SunPower solar panels, which are the highest efficiency on the planet and will produce ~20% more energy over the life of the system than conventional panels. Plus, their unique all-black looks blend in nicely with your roof.

What is your experience with SkyPower Solar?

Our experience with SkyPower Solar has been excellent. From sales to construction to follow up, we have had a positive experience. As a medical center, we consume significant power and have a significant electric bill. With our electric energy cost savings, the ITC tax credit, and the accelerated depreciation, our payback for the entire system is close to 3 years.

Who is Blue Sky Solar?

Read reviews for Blue Sky Solar, a Energy Efficiency, Solar PV, Energy Storage company since 2015 based in Layton, UT.

Did Blue Sky Solar install my solar panels?

Blue Sky Solar did it for a fraction of the cost. Blue Sky Solar did a great job in installing my solar panels, even though there were a few delays in the beginning. After signing up with the original salesman for solar panels, there was a wait, little communication and some confusion.

How long does it take to install Blue Sky Solar?

Thank you Blue Sky Solar! June 2023: (Job initiated in March of 2022) Installation scheduled for beginning of June. Was supposed to take 2 days, panels + battery and electrical. Stretched to a week due to not having correct materials on hand.
