

### Who is Sol Power?

At Sol Power, everyone is an owner and has a stake in the best outcome for your project. To put it simply, we care. It's our company and our future. Experience the difference when the whole team is invested in your success. We're here to educate and guide you through the process of going solar. We install solar on your terms.

### Is Sol Power a good company?

"Sol Power is a terrific company. A small, owner-operated and local company, they provide personal service that is unmatched. They are responsive to your concerns and personally walk you through the process from the beginning to signing off." - Carlton T "Having dealt with several solar installation groups over the years, Sol Power is the best.

### Why should you choose Sol Power?

Choosing Sol Power is a decision to support your community. Dedicated Project Management - We do all our own work in house and we'll work closely with you throughout the project, from the site survey to design, installation, and monitoring.
