

Who is solar power & light?

Solar Power & Light, LLC (SP&L) headquartered in Miamisburg, OH, was founded in 2010 as a spin-off of an INC5000 parent company buyCASTINGS.com Inc. born from R&D to harvest contaminated foundry sand for purposes of purifying and creating poly-silicon used in the manufacturing of solar cells. We're looking for innovative talent to join our team.

Who is sp&l commercial solar?

For over a decade, SP&L has been managing multi-million dollar technology intensive projects. SP&L Commercial Solar manages a broad spectrum of activities under the Solar Power and Light umbrella including Development Services, Project Finance, and Engineering, Procurement & Construction (EPC) services.

What makes sp&l a good solar company?

SP&L is an integrated energy company that is at the cutting edge of innovation for solar product usage and development. Approved installers passed our rigorous screening criteria for experience, licensing, and positive reviews. We are very happy with our solar panels. Greg Akers was kind, knowledgeable and worked with us to get just what we wanted.
