

How much do solar panels cost in Brisbane?

Based on the data from February 2025 - the average cost of a typical 6.6kW solar panel system in Brisbane is \$5,210 after the STC rebate has been deducted.

How much does a 6.6 kW solar system cost in Brisbane?

The average cost of a 6.6 kW solar system in Brisbane is \$5,530 after applying the federal STC rebate. This cost has been decreasing over the past few years, making it more affordable than ever to install solar in Queensland. Jeff has consulted on over 20MW of commercial solar projects, ranging from SMEs to ASX top 100 companies.

Do solar panels make a difference in Brisbane?

Yes, given Brisbane's ample sunlight year-round, having solar panels will make a big dent on your electricity. How much does solar cost in Brisbane? A typical 6.6kW solar system in Brisbane should cost you around \$5,530 after rebates, depending on the quality of panel and your installer's fees.

Which solar panels are best for your Brisbane home?

Many Brisbane households opt for 6.6kW systems, which provide a good balance between cost and energy generation for average home usage. Panel Type: Monocrystalline panels, known for higher efficiency, tend to be pricier than polycrystalline panels but can generate more electricity in smaller spaces.

What is the average solar system size in Brisbane?

Based on current installations in Brisbane, the average solar system size is 6.6kW. We receive a lot of enquiries from homeowners who would like to add panels to an existing solar system they installed a few years ago (which can be a costly exercise), so in general, we recommend installing as many panels as your budget and roof space allows.

How much electricity does a solar system generate in Brisbane?

Residents in Brisbane enjoy a massive daily average of 4.2hrs of full sun throughout the year, the high daily average of 'full sun' means that a 6.6kW solar power system installed in Brisbane will generate an average of 27.7kWh of electricity per day - which is enough to power the average family home!
