

What is a goal zero solar generator?

Introducing the all-new Goal Zero solar generator with the Yeti PRO 4000 portable power station and Nomad 400 solar panels. You get dramatically more power and faster charging than previous generation models. Plus, its updated LiFePO4 battery tech can last for over 10 years--even with daily use.

Does Goal Zero make power stations?

We quickly found out about Goal Zero that makes power stations, which basically is a box with a battery and an inverter. The portability of a power station makes it great for camping.

Is the Goal Zero Yeti 3000X a good backup generator?

The Goal Zero Yeti 3000X lithium generator is a home backup recharging monster. It's not powerful enough to back up your entire home during an outage, but for a portable solar power station, this is as good as it's going to get. The Yeti 3000X can easily power your most important devices and appliances for a couple of days.

What is a gas-free solar generator?

A gas-free solar generator gives you quiet power you can count on whenever you need it. Off-grid living, power outages, adventures in nature--with a solar generator you're ready for all of it. We take pride in how we build and manufacture our products. The Yeti 300 can power the Skylight for 63 hours on the lowest brightness setting.

What is a goal zero power supply?

It has 80% more power than our previous generation products and can run nearly all home appliances, aside from your AC, with 3600 watt power out and 7200 watt surge capabilities; great as a backup power supply for emergencies, off grid living, RVs, vans, and more. Sold by Goal Zero LLC and ships from Amazon Fulfillment.
