Is icon power a good solar company?

ICON Power has an excellent credit rating. I highly recommend this solar company." Wendy Wayne 4 years ago "Icon power was just awesome. Any question we had was answered quickly and with professionalism. From the first meeting with Drew to the last chat with him the time seemed to fly by. We were approved quickly and the installation began.

Is icon a good solar system?

Some of the other solar people were downright obnoxious. At the end of the day, we decided ICON was financially and functionally the best value for us. We installed 72 panels, mostly on our South-facing roof (see picture) with the rest on our West-facing roof. But, we have to say, a KEY factor in our decision was our confidence and trust in Gentry.
