

What does Lorde's new album 'solar power' mean?

The first singles from Lorde's highly anticipated third studio album *Solar Power* clearly indicate that the singer was trying something new on for size. Self-described as her "weed album", Lorde's latest record finds her attempting to make peace with the world around her, and maybe herself as well.

What is Lorde's solar power?

Lorde's *Solar Power* is a disorganized, hackneyed collection that doesn't deepen her existing body of work but introduces a woman riddled with white privilege. I had the unfortunate coincidence of turning 16 when Lorde released her debut studio album, *Pure Heroine*.

Is Lorde's 'the path' a prequel to 'solar power'?

Elsewhere in the newsletter, Lorde shared a new music video for "The Path," which she described as a prequel to the "Solar Power" music video. Lorde is currently on tour in Europe, and will return to North America for U.S. dates in August.

Lorde's *Solar Power* is a sequel to her debut album, *Pure Heroine*, which was released in 2013. *Solar Power* is a collection of songs that explore themes of love, loss, and self-discovery.
