What are the best outdoor string lights?

1. Brightown Solar String Lights (Best For Year-Round Use) Bulb Type: LED | Bulb Shape: Globe | Length: 35.6 feet | Runtime: 8-10 hours These are the patio string lights that I have enjoyed the most all year round. I can easily set them to twinkle flash for Christmas or to do a slow fade for a summer BBQ.

How do I choose the best outdoor solar string lights?

For outdoor solar string lights, I would generally recommend going for IP65 or higher as one of the key features to look for. Another one of the key features is the size and shape of the bulbs. You can find anything from fairy lights to star and bee shapes. And the sizes can be anything from 1/10 to 2 inches in size.

Are solar string lights dated?

These Edison bulb-style lights are what most people are looking for when it comes to solar string lights for their outdoor living spaces, patios, and pergolas. They're on trend, without being so on trend that they'll be dated in a few years. The classic look stands the test of time and helps make it a best-selling product.
