

Should I upgrade Tarkov?

If you spend more than a couple hundred hours playing Tarkov I would strongly urge you to upgrade. If you have no money to upgrade then grind it out or deal with it. Focus on getting punisher quests done ASAP to upgrade your small SC to the epsilon as SC size is the biggest actual advantage you get from buying EOD. ??????? ? ???????...

How many modules are there in escape from Tarkov?

There's a total of 21 modules in Escape from Tarkov. Building them is a grinding activity that will take time, but it will also give you permanent useful resources and bonuses. Check the full list in the table below. You can also level up modules.

What weapons are in escape from Tarkov?

Jonathan Ferguson, a weapons expert and Keeper of Firearms & Artillery at the Royal Armouries, breaks down more of the weaponry of Escape From Tarkov, including the Chiappa Rhino, the ADAR 2-15 and a hideously cursed Glock 18C. The Hideout is initially found as an abandoned and cluttered bomb shelter without any means of sustaining life.
