Who wrote solar power?

Releasing new music for the first time in four years, Solar Power was originally written in 2019 alongside acclaimed producer Jack Antonoff. The album focuses on summer anthems and is marked by Lorde as a "celebration of the natural world", and has a more indie pop vibe than her previous efforts with its use of acoustic guitars.

When does Lorde's new album 'solar power' come out?

The musician made a splash (pun intended) when she dropped her first single in four years, the summery jam "Solar Power," and now she's giving fans exactly what they want: a full length album of the same name with an August 20th release date, a tracklist, and a 2022 world tour. Looks like it's time to listen to Lorde's secrets once again.
