

Is the sole F63 a bad treadmill?

When compared directly to the ProForm Power 995i, the SOLE F63 is not a bad treadmill, but it falls short of what is offered by treadmills in this price range. There were many ties between the two treadmills.

Does the sole fitness F63 treadmill have a touchscreen?

Knowing that Sole Fitness not only gives you quality parts but will also fix them for the lifespan of the treadmill makes this machine very attractive. Although the 6.5-inch display isn't a touchscreen, it works for the Sole F63 treadmill. You'll be able to easily see important data like distance traveled, speed, incline, calories burned, and more.

What is the warranty coverage for the Sole F63 treadmill?

The F63's lifetime coverage for the frame and motor; three years for the parts, deck, and electronics; and one year of labor warranty is a huge plus. The F63's \$1,199.99 sale price includes this competitive warranty.

What is the maximum weight capacity of the Sole F63 treadmill?

The Sole F63 treadmill has a 325-pound weight maximum, making it suitable for most users. It also includes an integrated tablet holder, Bluetooth audio speakers, and a USB charging port.

SOLE Treadmills: Starting at \$1,199.99, SOLE treadmills excel in ergonomic design, durability, and value. Equipped with advanced cushioning to minimize joint impact, powerful, quiet motors, and wide running surfaces, they ...
