

Who offers custom deodorant containers?

We offer custom deodorant containers according to your desired shape, design, and function. We can provide customers with a truly unique packaging solution. MGG Group is a professional deodorant packaging manufacturer & supplier in China, offers custom empty deodorant stick containers & deodorant bottle wholesale.

What size is a deodorant container?

Round sticks and tubes typically range from .8 to 4.5 oz. DISTRIBUPACK offers Gel Soft Solid deodorant container bulk sticks with high-quality propel/repel functions. This easy-to-use top-fill deodorant container is available in two convenient designs for your needs, a narrow-gel soft solid and a wide-gel soft solid.

What is a deodorant container used for?

Deodorant containers are great for filling personal care products and can be filled again and again, battling single-use items. The versatile deodorant stick bottles could package antiperspirants, solid lotions, sunscreen, and much more!

Why should you order deodorant containers in bulk?

It is no secret in business that ordering required items in bulk reduces costs and limits production or shipping delays for your final products. DISTRIBUPACK specializes in offering deodorant containers in bulk quantities so that your filling lines keep running and your customers never go without their favorite product.

What are the different types of deodorant containers?

This easy-to-use top-fill deodorant container is available in two convenient designs for your needs, a narrow-gel soft solid and a wide-gel soft solid. These units are frequently used to package gel soft solid deodorants as the contents are properly dispensed through the application source.

What size deodorant stick do I Need?

These units are commonly used for packaging solid deodorant. Oval Propel/Repel deodorant container bulk sticks with top fill capabilities typically range from .5 oz to 4 oz. Another of DISTRIBUPACK's superior quality offerings is the Round Propel/Repel deodorant stick with various standard and specialty applications.
