

How does corrupt soul work?

All you need to know about this achievement. Corrupt soul would cast every 20-30 sec. On the third soul, the tank can run the boss out the entrance, but not further than the circular area (he resets at that distance). The rest of the group stands near the door and range DPS gets the boss to 37%.

How does Wailing Souls work?

Wailing Souls: The Devourer of Souls will target a random player with this debuff, and after about four seconds she'll unleash a beam of damage in their direction. This beam will move and cover a 90 degree swath of the room in either direction over 15 seconds. This ability deals a high amount of damage.

How do you beat the devourer of Souls?

Three Faced: Defeat the Devourer of Souls in the Forge of Souls on Heroic Difficulty without him successfully casting Phantom Blast. This achievement is pretty darn easy. Every 6 seconds or so the Devourer of Souls will try to cast Phantom Blast. Have two melee switch back and forth constantly interrupting it the whole fight.

What level do you need to enter the Forge of Souls?

The minimum level to enter The Forge of Souls on normal mode is 78. You must be level 80 to enter heroic mode or to queue for either mode in the Dungeon Finder. The dungeon is designed for level 80 characters. As soon as you enter the Forge of Souls, you'll see either Lady Jaina Proudmoore or Lady Sylvanas Windrunner.

How do you beat Stratholme?

Heroic: The Culling of Stratholme: Defeat all of the bosses in Caverns of Time on Heroic Difficulty. Heroic: Trail of the Champion: Defeat all of the bosses in Trail of the Champion on Heroic Difficulty. For the second boss you will need to defeat both Eadric the Pure as well as Argent Confessor Paletress.

How do you get the Forge of Souls?

The Forge of Souls must be completed to start the quest chain that unlocks the other two wings of the Frozen Halls, Pit of Saron and Halls of Reflection. These three dungeons were designed as catchup dungeons, with significantly better loot than you'll find in other level 80 5-mans.

I ran into the same bug while I was trying to solo the achievement a few weeks back and, after many attempts, I got it to work. What helped me was making sure not to do ...
