

What's new in Lorde's 'solar power' album?

The New Zealand star's third album continues her winning streak, as she blazes a trail through the pop landscape with a beautiful paean to nature. Solar Power is a new era for Lorde, matured as she turns her consideration outwards towards her role in fan's lives, while still leaving space for her signature confessional lyrics.

What is Lorde's solar power?

Solar Power is a new era for Lorde, matured as she turns her consideration outwards towards her role in fan's lives, while still leaving space for her signature confessional lyrics. Lorde's Solar Power is an airy body of work that refuses to stand in the long shadow cast by its predecessor.

Is 'solar power' a new chapter in Lorde's career?

A new sun-loving Lorde tries to find her zen on album number three. Like Lana Del Rey and Taylor Swift before her, the New Zealand star embraces mellowness on a third album shaded by climate anxiety and a rejection of celebrity. Solar Power seems like the start of a new chapter in Lorde's career.

Is Lorde a 'summer album'?

Lorde has always been a master of balancing satire and vulnerability, which makes her "summer album" all the more disappointing in how uneventfully she drops the ball on executing her promising vision. sounds like an opting out from wider pop culture altogether.

What does solar power feel like?

There's a subdued quality to Solar Power that feels a lot like caution, or just self-protection -- a deliberate retreat from the raw, unfiltered verve of her earlier output into the safer remove of a wry bystander more at ease with cool observation than confessional bloodletting.
