

Are there any complaints about spruce?

There have been 20 complaints filed in the last 3 years. The complaints include issues with repairs and billing, and one common thread is the inability to get in touch with Spruce. The complaints say things like "awful to work with", "cannot get a live body on the phone", and "since the Spruce company took over it has been a nightmare."

Did NRG sell a solar contract to spruce power 3?

"NRG owned it up until 2021, and then they sent us this letter saying they sold it to Spruce Power 3," said Phelps. NRG sold all of its residential solar contracts to Spruce Power. The I-Team read through Phelps' contract. The document reads any sale "shall not result in any changes to your rights and obligations under this agreement."

Did spruce call customer service on February 6th?

After months of calling customer service, Phelps says Spruce told him someone would be out to do repairs on February 6th. "February 6th came and went, and they never showed," said Phelps. Phelps kept calling. "I know there are other people complaining," said Phelps.

Is a solar company racking up complaints about customer service?

(WFSB) - Solar energy is a popular way to decrease your energy bills, but Connecticut's attorney general is warning customers to review your contracts carefully. The I-Team discovered one solar company is racking up complaints about customer service. Larry Phelps lives in Windsor and closely watches the output of his solar panels on his tablet.

Are solar panels expensive?

Solar panels are expensive, but after a few years, they pay for themselves. Avoid these red flags to protect your investment. To avoid a crappy solar panel deal, watch out for these scammy sales tactics. Solar panels are a great way to invest in your home and eventually reduce your power bills.

Are solar panels a good investment?
