

Are there car parks at train stations?

Yes, car parks are available at most of our train stations. You can pay for daily parking tickets and car parking season tickets in a number of ways. Parking charges apply every day, including public holidays, except on 25 and 26 December or unless stated otherwise.

When do parking charges apply at train station car parks?

Parking charges apply every day at train station car parks, including public holidays, except on 25 and 26 December or unless stated otherwise. At busy times (generally before 09:00 Monday to Friday), we recommend that you find a parking space before paying.

Are prices at station car parks regulated?

Prices at station car parks are not regulated. The decision to charge for car parking at a station is a commercial decision for the station operator, as it is for any other commercial car parking provider.

How do I pay for parking at the train station?

If you have previously registered, you can simply text park followed by your payment card's 3-digit security code and the SMS code for the parking that you require to 078 6000 6000. For further details please visit the APCOA Connect support page. No time to pay for parking at the train station?
