

# Suaoki solar generators g500 portable power station

Is suaoki a good solar generator?

Suaoki is a Chinese manufacturer of small but capable solar generators. In comparison to most solar generators, Suaoki's models are affordable and conveniently portable. The company generally advertises its power stations as best-used while camping or on outdoor adventures.

How powerful is a suaoki G500 portable power station?

The Suaoki G500 portable power station is powerful and large enough to provide electricity for a CPAP machine for a few nights of sleep, run an electric cooler for nine hours, or charge roughly 40 smartphones.

How much does the suaoki power station weigh?

This SUAOKI Portable Power Station 500wh is designed to be easy to carry with you to camp. At home, you can also just place it anywhere without difficulty. It only measures 11 x 7.5 x 8.3 inches and it weighs only 22 pounds. Will the AC outlets work for European countries? So far, the G500 only comes in the 110V version suitable for the US.

Is the suaoki G500 the world's most powerful all-in-one power station?

SUAOKI G500 power station is a fairly new brand, to be sure. It was only recently when the SUAOKI Portable Power Station was merely a prototype, and the company was still seeking seed money to turn it into a true consumer model. Now they've succeeded, and the industry now has what is far its most powerful all-in-one power station.

How to recharge a suaoki portable power station?

But you can also recharge this through the cigarette lighter socket in the car while you're driving. Once you're at camp, you can also set it up to use the power obtained through a solar panel. This SUAOKI Portable Power Station 500wh is designed to be easy to carry with you to camp. At home, you can also just place it anywhere without difficulty.

How often should you charge the suaoki G500 portable power station?

The G500 SUAOKI Portable Power Station should be charged at least once every 3 months. If the screen shows only a single bar, it's also time to recharge. This is widely regarded as the best in its class, and it's one of the main reasons for the increasing popularity of the Suaoki brand.
