

What is sunrun's solar as service'?

Sunrun recognized that the steep initial cost of this approach was keeping tens of millions of U.S. homeowners on the sidelines. So the company pioneered a new "solar as service" model, whereby homeowners lease the solar system through Sunrun and pay a fixed monthly fee, just like leasing a car.

How is Sunrun building 100 MW of clean solar power? Sunrun brings solar to multifamily affordable housing [youtube.com](https://www.youtube.com) Why should you choose Sunrun solar panels?
