Who invented Pine-Sol &#174;?

At the beginning of the Great Depression, a man named Harry A. Cole was looking for a way to improve his family's fortune. A chemist by trade, Mr. Cole knew that pine oil was a natural disinfectant and deodorizer. He seized the opportunity, rolled up his sleeves and created Pine-Sol &#174;. When was Pine-Sol &#174; invented?

Does Pine Sol clean concrete?

Pine-Sol effectively cleans and restores concrete patios, walkways, and driveways. The porous nature of concrete makes it susceptible to various stains, but Pine-Sol's formula cuts through oil, mold, and general grime. Mix a quarter cup of Pine-Sol with a gallon of water for optimal outdoor cleaning results.
