

What happened to Titan solar power?

Titan Solar Power, a large US residential solar installer, unexpectedly ceased operations on June 13, 2024. The Chandler-based solar company, founded in 2013, filed for Chapter 7 bankruptcy protection on June 20. The company reported having between 5,001 to 10,000 creditors. Kyle Beddome is listed as the company's business owner.

Is Titan solar a good solar company?

The company also noted it would "no longer be supporting new Leases and PPA sales nor new project installations of these financing options." Titan Solar Power is one of the best-known solar companies in many parts of the country and is often cited as the number one solar installer by volume in the country.

Who are Titan solar techs?

If you're a former customer of Titan Solar Power, don't hesitate to reach out to Titan Solar Techs. They are ready to step in and become your new trusted partner in solar energy, helping you continue your journey towards a sustainable and eco-friendly future.

How is Titan solar techs making a difference?

In the wake of Titan Solar Power's closure, Titan Solar Techs has emerged as the new leader in the solar industry, dedicated to providing support and continuity for those affected by the bankruptcy. Here's how Titan Solar Techs is making a difference: 1. **Warranty Support:** Titan Solar Techs understands the importance of honoring warranties.

Is Titan solar power a bad company?

Unfortunately, Titan Solar Power has a bad reputation for customer service. The company has accrued more negative reviews than positive ones owing to lack of communication and follow-up, poor attention to detail, poor customer service -- especially following installation and payment -- and other related issues.

Does Titan solar power cover commercial solar installations?

Titan also covers commercial solar installations and provides solar monitoring. The company's high growth rate is partly due to the use of door-to-door salespeople, which has gotten Titan Solar Power into trouble with homeowners in numerous states.
