

How can I contact Titan Solar Power?

To contact Titan Solar Power, please email info@titansolarpower.com with your property address. A customer care manager will reach out to you as soon as possible.

How poor is Titan Solar's customer service?

Titan Solar's customer service is horrible. They take no responsibility for anything. We will be filing complaints with the Public Utilities Commission and the Nevada State Contractor Board. We were told we would not have a solar payment the same month as our last power bill, but instead, we had to pay an \$869.00 power bill and our solar payment.

Who is Titan Solar Power?

Titan Solar Power, founded in March 2013 in Mesa, Arizona, has grown to become one of the fastest growing solar installers in the southwestern United States. It plans to expand across the South and Midwest regions of the country.

Does Titan Solar Power sell solar panels?

Titan Solar Power offers LG solar panels and the LG Chem solar backup battery. In addition, they sell privately labelled solar panels through a partnership with Silfab, making them one of the few solar installers that do so.

How much solar power has Titan installed?

As of 2019, Titan solar power has installed more than 220,000 kilowatts of solar energy across seven states in the country.

What warranty does Titan Solar Power offer?

All Titan Solar Power equipment comes with a 25-year warranty. This includes the solar power storage device, which stores excess solar power for use at night or during power outages.
