

Does Titan solar have a warranty?

If you're a Titan Solar customer and require service or maintenance, your system components such as panels, inverters, and batteries are likely still under the manufacturer's warranty.

Does Titan solar power service a solar system?

While Titan Solar Power is no longer directly responsible for servicing these systems, you can contact the equipment manufacturers for warranty related issues. For ongoing maintenance or service of your solar system, Forme Solar can assist in diagnosing and repairing your system to ensure continued energy production.

2.

What if I need assistance with MY Titan solar power energy system?

If you are in need of assistance with your existing Titan Solar Power energy system, contact Forme Solar at 714-694-2262. Our team is equipped to handle solar repairs, maintenance, and expansions, ensuring that your solar panel system continues to deliver reliable performance for years to come.

Does Titan solar power restructure financing agreements?

Titan Solar Power customers who financed their systems through third-party solar financing companies will still be obligated to fulfill their payment terms. Financing agreements are typically separate from the installation company, so Titan Solar Power's restructuring does not affect these agreements.
