

How can I contact Titan Solar Power?

To contact Titan Solar Power, please email info@titansolarpower.com with your property address. A customer care manager will reach out to you as soon as possible.

Is Titan Solar Power a reputable company?

Titan Solar Power has an impressive list of awards and certifications. However, to further bolster its reputation, verified customer reviews would be helpful for prospective buyers to consider.

Does Titan Solar Power install solar panels?

Titan Solar Power conducts a five-step solar panel installation process to help homeowners maximize their savings. They employ NABCEP-certified contractors and have an active partnership with Loanpal to help homeowners make the switch to solar and save on their utility bill.

What happened to Titan solar power?

Unfortunately, on June 19, 2024, after heavy rains, a leak started in the roof right where the solar panels are installed. I tried to contact Titan Solar Power's service and maintenance department, only to find out that the company has closed down, leaving me and many others in a situation of damage and helplessness. What actions can we take now?

Is Titan solar a bad company?

Titan Solar is trash and their subcontractors that installed the system and do service repairs are incompetent. Do not use these people. Find someone else if you can in CO. This is one of the worse companies, don't do business with them. Stay away they don't answer and don't solve any issues. Don't buy from them. El Paso 10812 Notus Lane.

How long does it take Titan to replace a solar inverter?

It took many communication attempts to get Titan to respond, then another two weeks to get a replacement inverter delivered. Then Titan says they can't replace it for two months. They got SolarEdge to replace it who contracted it out to someone else. 24 days without power production.
