

Are there charging stations at Universal Studios Florida?

There are charging stations for electric vehicles in the main parking area if you are visiting Universal Studios Florida, Universal's Islands of Adventure, Universal's Volcano Bay, or CityWalk. However, there are only four stations total -- two for Teslas and two for other manufacturers -- and they are located at Valet Parking.

Are there charging stations for electric vehicles in Universal Orlando?

Parking and charging stations for electric vehicles are available throughout Universal Orlando, and here's what you need to know. There are charging stations for electric vehicles in the main parking area if you are visiting Universal Studios Florida, Universal's Islands of Adventure, Universal's Volcano Bay, or CityWalk.

Does Universal Hotel have EV charging stations?

Universal has two Tesla 80 amp chargers along with two Clipper Creek 48 amp chargers. Each hotel also has EV charging stations in their garages for on-site guests, as well. There is no additional cost for vehicle charging.

Is there a charge for parking at Universal Orlando?

There is no charge to use the charging stations; however, you will need to pay for Valet Parking in order to access them. It is customary to provide gratuity to the attendants who assist with parking your car. The cost for Valet Parking at Universal Orlando is determined by when and how long you park your car:

How much does it cost to park at Universal?

Universal's Aventura Hotel - Second floor of the parking garage (by the elevators); four charging stations; \$14/day for guests, off-site visitors \$10 for under 30 minutes, \$45 after 30 minutes
Universal's Cabana Bay Beach Resort - Charging stations located on each floor (two Tesla chargers and one Clipper Creek); free for guests with parking

Can I install a charging station in my parking space?

It's important to note that the Florida statutes that allow for the charging access to be installed in personal parking spaces also require that the installation cannot cause "irreparable damage" to the property, and that the owner is responsible for any additional insurance costs, as well as any repair or removal of the charging station.

There were also additional spots specially marked for EV/no emission/vanpool that I moved my car to after I was done charging. I was the only one charging at B1M. It sounds like there are more chargers in preferred parking as well. ...
