

Which of the following songs contains a piccolo trumpet solo

What are the best piccolo solo pieces?

If you like to play with a pianist, you can check out this work for your next performance. Another one of the best piccolo solo pieces that also involves the flute is *The Pied Piper* by Gordon Jacob. The first movement is for solo flute, while the second movement features the piccolo. I like that you can set your instrument down between movements.

Does Penny Lane have a trumpet?

The song features numerous modulations that occur mid-verse and between its choruses. Session musician David Mason played a piccolo trumpet solo for its bridge section. "Penny Lane" was a top-five hit across Europe and topped the US Billboard Hot 100.

Can you play a piccolo and a flute together?

If you want to practice switching between your flute and piccolo, I'd recommend the *Amlin Concerto*. You get to show off your skills on both instruments. It's a good choice for a recital or a concerto competition. Of course, playing multiple flutes can be a trick. Just make sure to practice the switch along with the individual instrument parts.

What is Musgrave piccolo play?

Musgrave Piccolo Play is for the two instruments, and it's in homage to Couperin. The piece can be a nice introduction to the piccolo for flute players who like Baroque music or Baroque-inspired works. Give this a try for yourself or your students as well. One of the first unaccompanied piccolo solo pieces is *Persichetti Parable XII*.

Is Musgrave Piccolo a concerto or a sonata?

Not all piccolo and piano pieces are sonatas or concertos. *Musgrave Piccolo Play* is for the two instruments, and it's in homage to Couperin. The piece can be a nice introduction to the piccolo for flute players who like Baroque music or Baroque-inspired works. Give this a try for yourself or your students as well.

What is a good Concerto for the instrument?

One of the most famous concertos for the instrument is probably the *Liebermann Concerto for Piccolo and Orchestra*. I've read through the piece, and it's pretty difficult. But if you're able to break it up and practice the sections, you can learn the piece. It makes for a great concerto competition piece or a recital closer.
