

Who offers custom deodorant containers?

We offer custom deodorant containers according to your desired shape, design, and function. We can provide customers with a truly unique packaging solution. MGG Group is a professional deodorant packaging manufacturer & supplier in China, offers custom empty deodorant stick containers & deodorant bottle wholesale.

What is a deodorant container used for?

Deodorant containers are great for filling personal care products and can be filled again and again, battling single-use items. The versatile deodorant stick bottles could package antiperspirants, solid lotions, sunscreen, and much more!

Why should you choose a custom deodorant stick bottle?

The versatile deodorant stick bottles could package antiperspirants, solid lotions, sunscreen, and much more! Custom deodorant bottles are not only important in their attractive design, but also in functionality and quality.

What is an empty deodorant container?

This empty deodorant container is an eco-friendly packaging that typically uses 100% Sugarcane. These materials are turned into pulp and then injected into specific molds to take shape, followed by heating and drying to form a sturdy package.

Are deodorant containers sustainable?

Switching to sustainable deodorant containers eliminates 30 grams of non-biodegradable plastic waste per unit, protecting our planet. This empty deodorant container is an eco-friendly packaging that typically uses 100% Sugarcane.

What is a refillable deodorant container?

Refillable deodorant containers made from bagasse biodegrade in 2-6 months, offering lightweight, durable eco-packaging to strengthen brands' sustainable image. With flexible designs optimized for easy replacement and mass production, our refillable packaging offers economies of scale, reducing costs without compromising on quality.
