

Who manufactures Deye solar inverters?

Deye is a leading manufacturer of solar inverters, batteries, air conditioners, and dehumidifiers. Our innovative products include single and three phase string inverters, hybrid inverters, low and high voltage solar storage batteries, hybrid AC/DC and DC48V solar air conditioners, home and industrial dehumidifiers.

How to contact Ningbo Deye solar inverter manufacturer?

What happened to Deye inverters?

In April 2021, Deye was successfully listed on the main board of Shanghai Securities Exchange, marking its formal entry in a new lane of rapid development. The sales of Deye inverters in overseas markets has grown exponentially, reaching RMB 334 million.

Can Deye string inverter use in poor grid area?

Deye string inverters are capable of being used in poor grid areas thanks to their frequency droop feature. Deye, a PV inverter manufacturer and Solar On-grid, Grid-tie inverter supplier in China, was founded in 2007 with registered capital of 205 million RMB (Over 30 million USD).

What does Ningbo Deye Inverter specialize in?

Ningbo Deye Inverter Technology Co.,Ltd is dedicated to providing complete photovoltaic power system solutions, including residential and commercial power plants solutions. Factory cover over 15,000m² and complete production and testing equipment, Deye has become a major player in the global solar inverter market.

What is the power range of Deye's string inverter?

Deye's three-phase on-grid string inverter has a power range of 4kW to 110kW with 230/400Vac. It can connect to the utility grid directly without a transformer.

PV inverter_EU Declaration(SUN-3K-G04)+230926009; PV inverter_EU Declaration(SUN-15K-G05)+230927001; PV inverter_EU Declaration(SUN-36K-G04)+230927002

The company offers a comprehensive range of residential and commercial inverter solutions, including string Inverter from 1kW to 136kW, hybrid inverter from 3kW to 50kW, and micro inverter from 300W to 2000W. is an air ...
